

EVENT OVERVIEW

It will be 'kerb-to-kerb' lycra in Glenrowan's main street on Sunday 7th November, when cyclists again converge on the town, for the 2010 Kelly Country Classic. Following in the footsteps of the legendary Kelly gang, the ride will start and finish in Glenrowan, with the choice of four routes designed to suit a range of rider abilities and fitness levels.

Following in the footsteps of the legendary Kelly Gang who roamed the region in the 1880s, cyclists will pedal past vineyards, farm gates and historic villages with strong links to the Kelly story. All rides will start and finish in Glenrowan, a town that resonates with the raw, bittersweet memory of Australia's famous bushranger and his gang.

This year sees the continuation of the 'Ned Kelly Challenge', a gruelling 210km all day ride that leaves Glenrowan and heads over the Warby Ranges before joining the 150km ride route. If your looking for a personal challenge this is definitely the ride for you. On completion of this strenuous ride, participants will be issued with a limited edition commemorative t-shirt to wear with pride.

The difficult 150km 'Dan Kelly Ride' will cover Kelly Country, from Glenrowan to Winton, Lurg, Benalla East, Tatong, Molyullah, Moyhu, Greta and back to Glenrowan. Still challenging, but not quite so arduous, riders can choose the 100km 'Joe Byrne Jaunt' from Glenrowan to Lurg, Myrree, Moyhu and returning to Glenrowan. The 50km 'Steve Hart Spree' option will take cyclists from Glenrowan to Greta, Moyhu and back to the town, made famous by the Kelly Gang's Last Stand.

CHECKPOINTS

All rides will start and finish at Glenrowan, Victoria. The ride is well supported with five main checkpoints – Moyhu, Myrree, Tatong, Glenrowan and Wangaratta with snacks, drinks and lunch provided to riders as well as a number of town shops en-route. Please carry 2 water bottles on your bike. Water and toilet stops are located at Glenrowan, Lurg Hall, Tatong, Myrree, Moyhu Football Grounds and Ryan's Lookout.

RIDE ROUTES

The ride routes will be clearly marked with identifiable signage and a map will be provided to all participants when they register on the day. All roads for the four routes are sealed, however riders will need to be vigilant for road surface variations.

A SAG wagon will follow each of the rides and some mechanical support will be available along the route, however you are expected to be able to change and repair a puncture. It is also strongly recommended that you have your bike serviced before the event. If major repairs are carried out during the ride you will be expected to pay for the materials ie. new tubes, tyres, chains etc. Cyclists will need to comply with the Victoria Road Rules and ensure their bicycles are roadworthy and operative. The Kelly Country Classic is a ride event NOT a race.

It is expected that riders who enter the 210km and 150km rides will maintain a minimum average speed of 22km/ph. Riders who do not reach Glenrowan by 4:30pm will be requested to either enter the SAG Wagon or leave the ride at that point. Training for the event is necessary, especially the 150km and 210km rides.

MERCHANDISE

Kelly Country Classic cycling jerseys are available for purchase this year. Details and order forms available on our website www.kellycountryclassic.com.au and follow the link. Jerseys will be available for collection at the event from the registration area.

PROCEEDS

Participants will have the opportunity to win a range of gourmet produce and accommodation prizes, plus top range cycling products in lucky prize draws on the day. All proceeds from the ride will go towards the local hospital, Northeast Health Wangaratta, to ensure high levels of quality care continue to be provided to the community of North East Victoria.
